

## **HSE Excellence for AIRA Residence project site**

Selangor Properties Berhad (SPB) is proud to share news on the receiving of multiple awards by AIRA Residence's main building contractor, Grand Dynamic Builders Sdn Bhd (GDB), from International 5-S Organisation (I5SO), Hong Kong 5S Association (HK5SA), Standard & Industrial Research Institute of Malaysia (SIRIM), Construction Industry Development Board (CIDB) and the Department of Occupational Safety and Health.

These awards were received for best practices in Health, Safety & Environment (HSE) for AIRA Residence project site from December 2018 to May 2019.

In December 2018, The International 5S Organisation (I5SO), Hong Kong 5S Association (HK5SA) and SIRIM awarded GDB for AIRA Residence project with the Construction Green 5-S (CG5S) Grand Award, which is also the 1<sup>st</sup> CG5S Certification awarded for a development site in Malaysia.

At the same time in May 2019, the project received the sector's award from Construction Industry Development Board (CIDB) who had audited GDB for AIRA Residence project on Safety and Health Assessment System in Construction (SHASSIC) on site with an above satisfactory score of 98%; at construction progress of 31%, which gives the AIRA Residence project a 5-star rating.

Echoing the same spirit of excellence, the Department of Occupational Safety and Health Malaysia had also awarded GDB a 5-star rating for their commitment to safety and health at the workplace for AIRA Residence project by YB Dato' Mahfuz Bin Omar, the Deputy Human Resource Minister.

With this string of achievements, we hope to continue to pave the way in Health, Safety & Environment excellence in all our property projects.
